HAZARDOUS AREA APPLICATIONS

Range covering
ATEX ZONES 1/2/21/22

ATEX

The Company has extensive experience in extreme environments where flammable materials, oxidising chemicals, salt solutions, acids and motor and vegetable oils are handled.

Lewden & Palazzoli are the absolute market leader in ATEX products, explosion-proof equipment for high-risk environments. Power plants, chemical industries, oil platforms, military bases and refineries are just a few areas where lighting devices must prevent any propagation of sparks and ensure safe and reliable operation over time.

ATEX Lighting

Lewden LUX brings to you a range of ATEX Lighting suitable for areas at risk of explosion, from Highbays/lowbays, Linear, Floodlights, Bulkheads & more...
