2023 NEW CONSUMER UNIT ADDITION

The new sleek addition to the popular Lewden PRO Consumer Units, matte-finished in black, seamlessly fits into your home décor!

- > Large rectangular rear knockouts in multiple positions are designed for use with Lewden grommets.
- > A selection of round cable entry knockouts on top and bottom faces.
- > Retained front cover screws help to prevent loss during installation.
- > Lewden also offers specially designed strong magnets to securely hold the consumer unit lid during installation.

RCBO Consumer Unit - Black

- Equipped with 100A DP main switch and type 2 surge protection.
- Designed for use with Lewden RCBOs and AFDD RCBOs.

Knockout Arrangement	Part number	Useable Ways	Enclosure Size (Modules)	Dimensions H x W x D (mm)
○	PRO-R12MSBK	9 Ways	13	266 x 281 x 106
	PRO-R21MSBK	18 Ways	22	266 x 443 x 106
